Any service performed on such items will have no warranty. Regardless of any other clause or text in this contract or any verbal communication, items Exposed to Moisture may be billed for two hours of labor even if the service is not successful. The amount of time it takes to complete diagnostics and/or repairs can never be guaranteed and the total cost of the repair and the likelihood of a successful repair are not guaranteed. SDRC does not imply that SDRC can predict how long a repair will take, how much it will cost, or if the service will be successful. Any discussion regarding the cost, time, or likelihood of success is ONLY an opinion based on the purview of the SDRC. Customer agrees to receive status update emails, promotional emails and other emails from SDRC. For purposes of this section, "disparage" shall mean any false statement, whether written or oral, about SDRC or any of its officers, directors, contractors, suppliers or employees. The Parties agree and acknowledge that this provision is a material term of this Agreement, the absence of which would have resulted in SDRC refusing to enter into this Agreement. The Parties agree that if a breach were to occur, it would be difficult to determine actual damages and that \$50,000 is a reasonable estimate of the damages that would accrue if The Customer were to harm, threaten to harm, threaten to disparage, or disparage SDRC or any of its officers, directors, contractors, suppliers or employees. The Parties agree that the amount of liquidated damages is fair and reasonable and would not act as a penalty to the breaching party.
